

**STREATOR ELEMENTARY SCHOOL DISTRICT 44  
STREATOR, IL  
(815) 672-2926**

**TRANSPORTATION SERVICES WAIVER**

Student(s) Name	Grade(s)	School(s)

**Streator ESD 44 is working to make transportation routes and bus assignments as efficient as possible. The district utilizes a bus waiver for those parents/guardians who transport their child(ren) to school each day. By doing so, this will allow the district more flexibility to effectively streamline and reduce routes and possibly shorten ride times for the remaining pupils on each bus.**

**If you do not plan to utilize District bus services for one of more children, we request that you fill out and sign this transportation services waiver.**

-----  
**I do not intend to have my child(ren) ride their assigned school bus to/from their attendance center for the school year. I understand I will be responsible to provide transportation for my child.**

**If, at any time, the need for transportation services changes, I will contact the district office to reinstate transportation services for my child(ren).**
