I have read and fully understand the Paid Transportation Program details and Waiver and Release of All Claims. The undersigned is(are) the parent(s) or legal guardian(s) of the above named student.

_____ *Date:_____*
(Signature of parent/guardian)

- ***Illinois law states that only students that reside 1.5 miles or more or are located in a state designated hazard area are eligible for free bus service (Illinois School Code 1-5ILCS5/29-3).***
- ***A new bus stop will not be added. Your child will be offered the closest existing stop. Most bus stops are no more than 2 blocks for students in grades K-5, and no more than 3 blocks for students in grades 6-8.***
- ***The bus pass fee is $200/child for the school year. A payment plan of $105/semester/child is available. If we cannot accommodate your request for a bus pass your payment will be refunded to you. Payment may be in the form of cash or check. There is a $20 fee for NSF checks.***
- ***Fee waivers for bus passes are not available.***
- ***Payment by credit card is only available during summer registration.***
- ***No refunds once a bus pass is issued. This includes families that may move out of district or move to within 1.5 miles of their child's school. It also includes students that are removed from the bus due to discipline issues. The only exception to bus pass refunds would be if the District would revoke the bus pass due to the bus reaching capacity with bus eligible students. Bus pass application date will determine the order in which bus pass students are removed from the bus.***
