

Operational Services

Environmental Quality of Buildings and Grounds

The Superintendent or designee(s) shall take all reasonable measures to protect (1) the safety of the District personnel, students, and visitors on District premises from risks associated with hazardous materials and (2) the environment quality of the District's buildings and grounds. Before pesticides are used on District premises, the Superintendent or designee shall notify employees and parents/guardians of students as required by the Structural Pest Control Act, 225 ILCS 235/, and the Lawn Care Products Application and Notice Act, 415 ILCS 65/.
