  - Attendance/Discipline
- Life Skills
  - Vocational Skills
  - Daily Living Skills
  - Community Skills

# Transition Goals in IEPs

- Skills for Secondary Education
  - Academic
  - Executive functioning
- Skills for Employment
- Skills for Independent Living

Functional Skills are taught in all classrooms in this district but are a major focus of our CARES classrooms

# CARES 3 Soup Kitchen

# Creation of the Flyer/Advertisement

OPENING SOON!!

***CARES SOUP DOGS***

***KITCHEN***

How it works: We will be taking orders on Friday, January 20th. Soup will be served the following Friday at your lunch hour in the teacher's lounge (unless a different location is specified.) The CARES class will shop, prepare and serve lunch the following Friday, and of course clean up.

Lunches will include:

- A bowl of soup
- A dinner roll
- A dessert

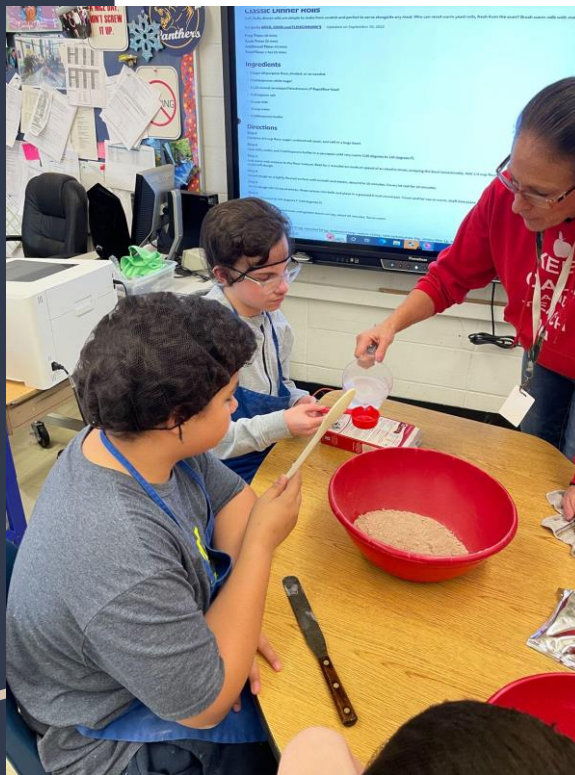

(Cost of the meal will vary depending on the soup but will fall between \$7.00-\$8.00)

There are so many important skills wrapped up in this project for these students: budgeting, profit, taking/filling orders, working together, organizational skills etc.

PLEASE HELP MAKE THIS UNIT A SUCCESS!

# Measurement

$\frac{1}{3}$  vs  $\frac{1}{4}$

# Use of Tools

# Reading of Numbers

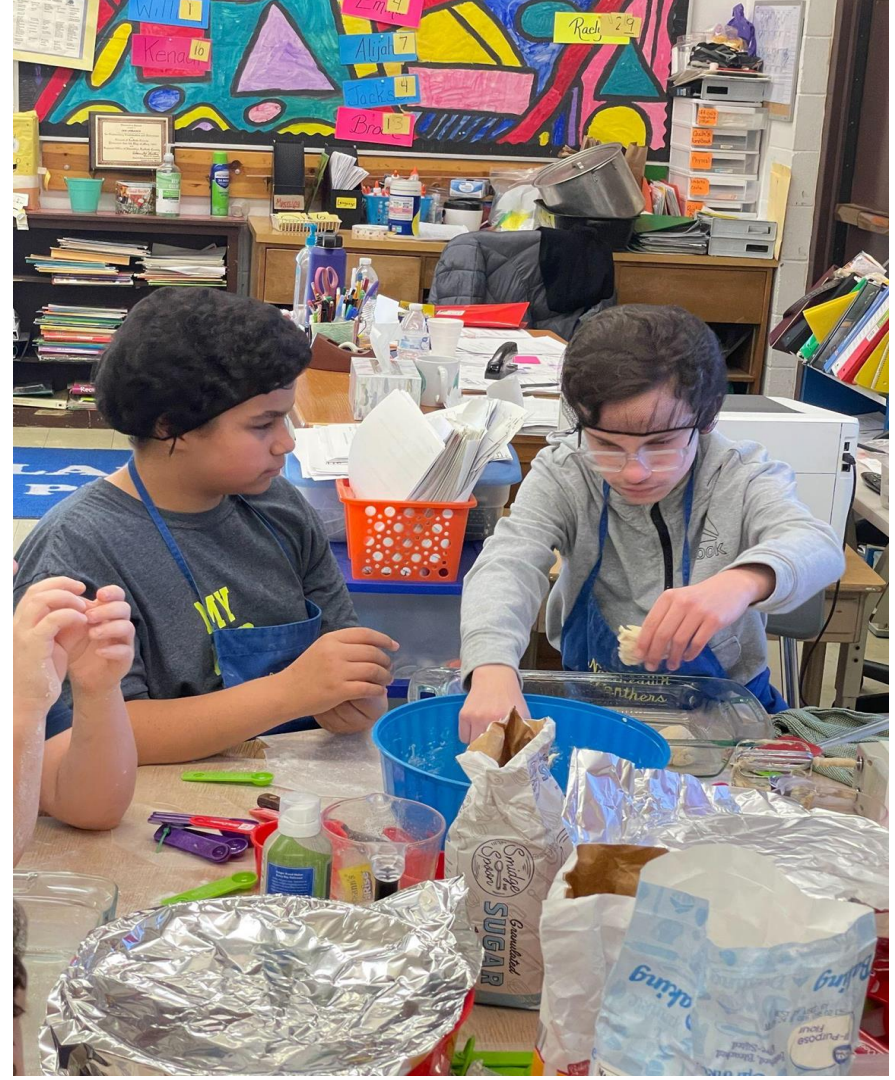

How to find 375 (it is between 350 and 400)

# Concept of Equal

Rolls needed to be  
equal in size

# Multiplication Concepts

$$3 \times 4 = 12$$

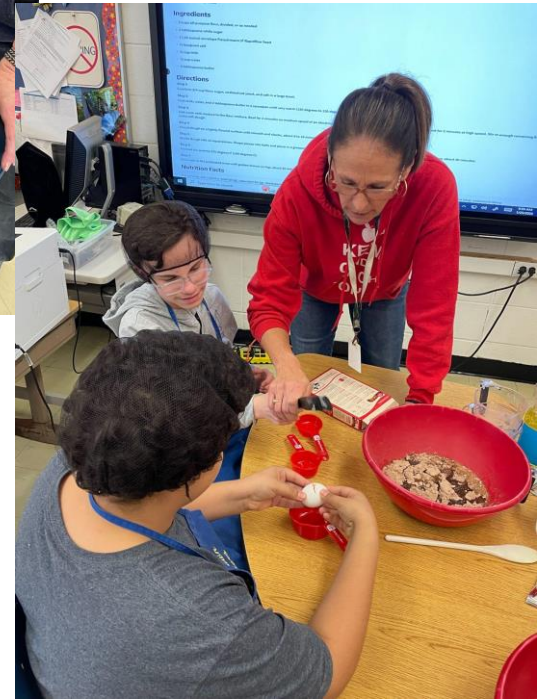

# Reading Recipes/Instructions

# Cooperation

# Taking Turns

Putting final  
product together

Hard Work pays off!

# Special Thanks!

THANK  
you

- Ms. Urbance
- Ms. Goodchild and Ms. Limberg
