

Suite360 Families

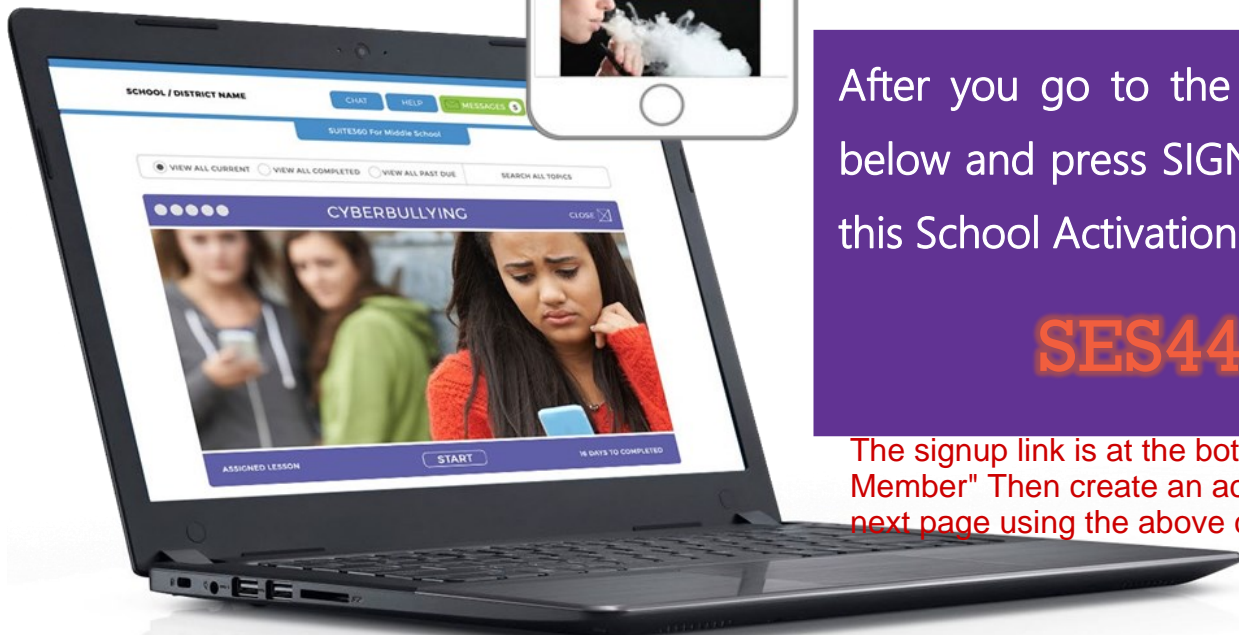

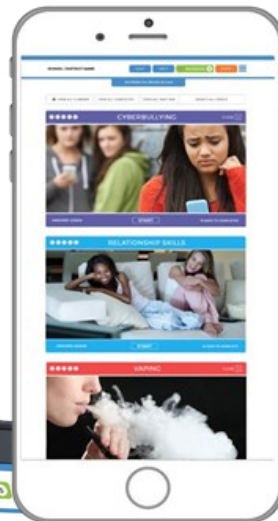

Navigate360
Social Emotional Learning

Supporting Students & Their Families at Home

Suite360 Families is available as a resource from your student's school this school year!

The program delivers web and mobile-based lessons that create opportunities to participate and collaborate in SEL discussion, experiences, and support SEL development.

Go to the URL to sign up.

After you go to the URL listed below and press SIGN UP, enter this School Activation Code:

SES44

The signup link is at the bottom. "New Member" Then create an account on the next page using the above code.

New lessons are added weekly. They are under the tab "my lessons".
