

STREATOR ELEMENRARY SCHOOLS DISTRICT 44

STUDENTS ENTERING GRADE 2

May 2021

Dear Parent,

The following is needed in order for your child to meet Grade 2 HEALTH REQUIREMENTS for the 2021-2022 school year:

Dental Examination on *PROOF OF SCHOOL DENTAL EXAMINATION FORM*. If you are not able to find a dentist, you can complete the *DENTAL EXAMINATION WAIVER FORM* and/or your child can receive a dental examination at the Dental Clinic held at school. Information regarding School Dental Clinics will be provided at a later date.

Any dental examination done 18 months prior to the May 15th deadline is acceptable. If your child has seen a dentist November 15, 2020, or later you can turn in the completed dental examination form to your child's school. As of July 1, 2005, all children entering Kindergarten (K), second (2) and sixth (6) grades are required to have an oral health examination. If you do not provide this information to your child's school by May 15, 2022, the school may hold your child's report card.

You may find the *PROOF OF SCHOOL DENTAL EXAMINATION FORM* and the *DENTAL EXAMINATION WAIVER FORM* (English and Spanish) at ses44.net or your school's website under *For Parents; Medical Forms/Requirements*.

Call the Nurse at your child's school if you have any questions about this letter. Please give the completed form to the Nurse. Thank you for your co-operation.
